Private Pet Portrait Consultation

PET PORTRAIT SITTING FEE

Monday to Friday	\$199
Premium Weekend	\$399

We'll take stunning pet portraits in front of a grey backdrop in our Tauranga studio or if you prefer we'll bring our pop-up studio to you (as long as you live less than 100 minutes away from Tauranga). This means you'll get superb portraits of your pet(s) in a familiar, comfortable environment. We can also shoot outside which is perfect for dogs that are happy off the lead and out in the fresh air. The photo shoot lasts as long as it takes but wherever we shoot, your pet's well being and happiness is always the number one priority.

Typical shoot time for one or two pets is about 90 minutes (not including any setup time). Once we have captured your pet's character you will be emailed your favourite watermarked images so that you can view them at your leisure.

HIGH-RESOLUTION DIGITAL IMAGES

One digital image	\$399
All your favourite digital images	\$899

High-resolution digital image files as a download or a USB memory card. This is superb value as it gives you maximum flexibility of all your favourite images at a great price. You could create your own prints, frames or canvases, upload your pet to social media or even turn them into a cushion!

MORE INFORMATION

The sitting fee covers my time, experience and most importantly my expertise working with pets, it does not, however, give you a finished physical product.

All purchases (except digital images) are subject to a small delivery charge unless you choose to collect them in person. If you would like to treat a fellow pet lover (or better still treat yourself!) to a gift then we also offer a fabulous range of packages starting from \$749.

Product samples can be seen on my website or at the photo shoot and if you are interested in anything else then please do not hesitate to ask.

Thanks for your interest and I look forward to hearing from you soon.
